GEN. PLUMER'S FORCES ARE REDUCED TO HALF RATIONS

Possibility of Relieving Mafeking Very Remote--Delay at Bloemfontein Considered Necessary

By Associated Press to the Journal. LONDON, March 26.—The continued absence of an aggressive movement on the part of the British is best explained in a dispatch from Bloemfontein the 25th. It says:

"Conditions existing in the occupied territory render imperative a somewhat prolonged halt at Bloemfontein."

"It is necessary that the effect of the proclamation should have time to make itself felt."

"It is said that danger of annoyance to line communication may be apprehended, unless the territory behind the advancing forces is rendered absolutely secure."

Gen. Methuen appears to be awaiting transportation and with Blumer's forces on half rations there seems to be little likelihood of the immediate relief of Mafeking, though neither from this quarter, nor from Roberts or Buller, is there any direct news today.

MOVEMENTS

OF THE ARMIES.

LONDON, March 26.—A dispatch to the Daily Telegraph from Kimberley, dated Sunday, March 25, says:

"Prisoners brought in here report that a force of British cavalry has entered the Transvaal and penetrated to a point 18 miles north of Christiansburg. The British forces at Fourteen Streams are being strengthened. A movement northward is expected soon."

The Times has the following from Rouxville, dated Saturday: "Commandant Oliver, with a strong force and 15 guns, is moving north of Ladybrand. A large Boer convoy has been seen from Basutoland proceeding toward Colesburg. General French may intercept it."

AN UNFORTUNATE OCCURRENCE

By Associated Press to the Journal. LONDON, March 26.—Except for the "unfortunate occurrence," as Lord Roberts calls it, which resulted in the killing of Lieutenant Lygen, and the wounding and capture of Lieutenant Colonel Crabbe, Lieutenant Colonel Codrington and Captain Trotter, the

campaign presents no new features. The mishap to the guards' officers is a testimony to their bravery, but not their discretion. They met a party of five Boers whom they tried to capture. The Boers took refuge on a kopje, where three of their comrades were hidden, and within five minutes every member of the British party was hit.

The unfortunate Englishmen were members of the Johannesburg Mounted Police. After dressing the wounds, they sent them to the British camp in an ambulance.

BALTIMORE'S BOER FRIENDS.

BALTIMORE, March 26.—An enthusiastic mass meeting of Boer sympathizers held here Sunday was addressed by Montague White and Philip Louter Wessels. Mr. White said in part:

"The Dutch simply wanted to be let alone, to live by themselves and remain free and independent, the same as Americans. The war is far from being ended. Events will follow shortly which will startle the world."

STATEMENTS FROM THE FRONT.

LONDON, March 26.—It is reported Lady Smith that Van Reenan's Pass

bristles with guns. Mail accounts of the account of the capture of General Cronje, just received, bring out some interesting points as to the rapidity with which Lord Roberts changed his plans when he found that General Cronje had escaped from Mafeking, where it was originally intended to attack or close in upon him.

Lord Kitchener was sent forward to intercept him, and at the battle of Paardeberg Lord Kitchener seems to have shown that he is a better organizer than fighter, for it was at his order that the British infantry repeated the blunders of other Generals, attacking entrenched Boers, who allowed the British to get within 1000 yards before opening fire. As the British had absolutely no cover, they lost heavily and uselessly, and were compelled to fall back momentarily, with considerable confusion, and to withdraw their transports to a safe distance.

This fact makes a significant commentary upon the rumors that have been in circulation of some coolness between Lord Kitchener and Lord Roberts, which is said to have accounted for the former being sent to Pretoria to suppress the rebellion.

SAVAGE & REID

BOER FRIENDS

SUPPRESSED.

By Associated Press to the Journal. BRADFORD, England, March 26.—An open air meeting convened here Sunday by Boer sympathizers proved an utter fiasco from their point of view, and was turned into a huge patriotic demonstration. The pro-Boer speakers were unable to obtain a hearing. Dead cats and other unsavory missiles were hurled at them, and they were violently hustled on quitting the platform. Despite the presence of 120 policemen, there was much disorder.

THEIR TAX RECORD

Assessment and Taxation for Two Years of Republican Aspirants for County Judge.

The Journal has dug up the tax roll records of the Republican candidates for county judge, as follows:

	1900	1899
A. BUSHBY	Taxes	Taxes
William Bushby, Detroit.....	\$ 950	\$ 20 79
Ed. T. Judd, Aumsville.....	2,691	62 90
John H. Scott, Salem.....	482	11 12
J. M. Watson, Turner.....	1,538	26 42
G. P. Terrell, Mehama.....	1,300	27 30
W. C. Hubbard, Fairfield.....	10,117	239 56
		9,179

Bushby and Hubbard appear to have sold land the present year. The others have had valuations reduced by the assessor. Total tax levy for 1898 was 21 mills; for 1899 it is 22.35 mills.

THE "BOXERS" IN CHINA

Rev. Brooks, an English Missionary, the First Victim.

By Associated Press to the Journal. NEW YORK, March 26.—A special to the Herald from Washington says: Notwithstanding the energetic protest of the diplomatic corps in China the Tung La Yamen is apparently unable to stop the anti-foreigner crusade. The first foreign missionary to lose his life at the hands of the "Boxers" was Rev. Mr. Brooks, an Englishman. The "Boxers" disturbance spread from Shan Tung province to the Province of Chi Li. Officials are profuse in promises to protect foreigners but fail to do so.

MARK HANNA SQUEALS

Says the Puerto Rico Bill is Not Part of a Deal.

By Associated Press to the Journal. WASHINGTON, March 26.—Senator Hanna arose to a question of personal privilege. He directed attention to an article in a Washington newspaper to the effect that members of the house had said that the Puerto Rican tariff bill had been agreed upon as "part of a deal" by which the Republican party was to receive large campaign contributions. He said that the statement carried on its face evidence that it was false, and said: "I hope measures will be taken to investigate the statement. I brand it as a malicious lie."

FERNINST THE TRUSTS

Republican Criticism of the Bryan Platform is Ridiculous.

By Associated Press to the Journal. NEW YORK, March 26.—A special to the Times from Washington says: The Democratic leaders are displeased with the criticism that the anti-trust plank in the Democratic platform adopted recently at Lincoln is indefinite. Senator Jones, chairman of the national committee, said the complaint is nonsense. "The platform is not supposed to contain statutes or to draft legislation. The anti-trust plank in the platform puts the party on record as opposed to trusts, and is in favor of action against them. That is sufficient."

GOVERNOR STEUNENBERG GIVES MORE EVASIVE TESTIMONY

Witness Golden Will Be Corroborated By His Wife -- Not Able to Appear Today

By Associated Press to the Journal. FRANKFORT, March 26.—The trial of Secretary of State Powers, charged with being an accessory to the murder of Governor Goebel was resumed this morning, as Golden, one of the witnesses, was ill. Golden completed his direct testimony Saturday, and will be cross-examined next.

When he is through, Mrs. Golden, his wife, will be introduced as a witness also for the prosecution, and it is reported that she will corroborate her husband's testimony on many important points. The physicians who made the autopsy on the body of the late Governor Goebel will also probably be introduced as witnesses.

The introduction of Mrs. Golden will prove a surprise, inasmuch as it has been the impression from reports sent out from Harboursville that Mrs. Golden was angry at her husband on account of his confession. Since his illness in the courtroom, Golden has completely recovered, and was on the street today.

It is the general impression that the defense may make no effort to controvert Golden's statement in the examining trial. An examining judge needs to have only a reasonable suspicion of guilt to bind a prisoner over to the grand jury, and as it is evident Judge Moore has this, it would be folly for the defense to show its hand before the real trial.

Court convened at one o'clock and Golden's cross-examination was begun. Golden said he learned two weeks ago that he would be arrested if he did not tell what he knew about the assassination, and if he did the attorneys for the commonwealth would try to save him from prosecution.

He could not remember that he ever heard Powers say that he intended to harm any one. When he heard that Goebel had been shot and told Powers what had happened, Powers said it was a dirty shame and an outrage.

STEUNENBERG'S COLD TESTIMONY

WASHINGTON, March 26.—Governor Steunenberg's cross examination was continued today in the Cour d'Alene investigation. Sulzer inquired how the governor justified the continuance of martial law, when the witness said that there had been a continuous state of rebellion in the Couer d'Alene district and that there was at all times opposition to the policy of the state authorities. Pressed for specification of names and events in this disorder, the governor said it was general in character, specific outbreaks being likely to occur while the authorities continued to act with firmness.

When asked if he had conferred with the Bunker Hill mine officials and others with a view to breaking up the labor organizations, the governor said he had not. In his judgment the labor organizations of Shoshone county existed only in name, that real policy being "dominated by criminals." Steunenberg did not believe civil procedure sufficient to deal with the situation. He was confronted with a crisis and acted to meet the crisis.

W. J. BRYAN HAS ARRIVED. SACRAMENTO, March 26.—Wm. Jennings Bryan arrived here this afternoon, and was heartily welcomed by the local Democratic organizations. After his appearance here tonight Bryan will leave for the north visiting the leading cities in Oregon and Washington.

Trotter Dismissed. G. D. Trotter, a young business man from Dayton, was arrested on a charge of carrying a loaded weapon and tried before Justice Johnson, but was dismissed for the want of any evidence, whatever.

It seems that one McGee, a Salem organ agent (musical) bored him so to sell an instrument that he ordered him off the premises. Then he came back and tried to use forcible persuasion, when armed himself for protection, as he did not wish to be forced to buy an organ. McGee was arrested and fined and out of spite had Trotter treated down to Salem at county expense. Trotter has lived for six years in Dayton and is generally respected.

At The Hospital. Mrs. Andrew Hansen who is quite ill at the Salem hospital is improving nicely. Mrs. Beeler and daughter the two women from Haystack, who were injured in a runaway accident a few days ago are improving rapidly. The young lady has improved sufficiently so as to be able to take home.

Deadwood Falls. Street Commissioner Frissell has been cutting down a few dead trees and cleaning out dead limbs in Marion square, and is cleaning the place up generally. It is suggested that a granite sidewalk be put down around the square.
